

**PUBLIC RECORDS POLICY
FOR
TENNESSEE DEPARTMENT OF TOURIST DEVELOPMENT**

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy for the Tennessee Department of Tourist Development (“TDTD”) is hereby adopted by the TDTD Commissioner to provide economical and efficient access to public records as provided under the Tennessee Public Records Act (“TPRA”) in Tenn. Code Ann. § 10-7-501 *et seq.*

The TPRA provides that all state, county and municipal records shall, at all times during business hours, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. *See* Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the public records of TDTD are presumed to be open for inspection unless otherwise provided by law.

Personnel of TDTD shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this Policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of TDTD, shall be protected as provided by current law. Concerns about this Policy should be addressed to the Public Records Request Coordinator for TDTD or to the Tennessee Office of Open Records Counsel (“OORC”). This Policy is available for inspection and duplication in the office of TDTD, 312 Rosa L. Park Avenue, 13th Floor, Nashville, Tennessee 37243. This Policy is posted online at <https://www.tn.gov/tourism>.

This Policy shall be reviewed every two years and shall be applied consistently throughout the various offices, departments, and/or divisions of TDTD.

I. Definitions:

A. Records Custodian: The office, official or employee lawfully responsible for the direct custody and care of a public record. *See* Tenn. Code Ann. § 10-7-503(a)(1)(C). The records custodian is not necessarily the original preparer or receiver of the record.

B. Public Records: All documents, papers, letters, maps, books, photographs, microfilms, electronic data processing files and output, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by any governmental agency. *See* Tenn. Code Ann. § 10-7-503(a)(1)(A).

C. Public Records Request Coordinator: The individual designated in Section III, A.3 of this Policy who has the responsibility to ensure public record requests are routed to the appropriate records custodian and are fulfilled in accordance with the TPRA. *See* Tenn. Code Ann. § 10-7-503(a)(1)(B). The Public Records Request Coordinator may also be a records custodian.

D. Requestor: A person seeking access to a public record, whether it is for inspection or duplication.

II. Requesting Access to Public Records

A. Public record requests shall be made to the Public Records Request Coordinator (“PRRC”) or his/her designee or via online submission in order to ensure public record requests are routed to the appropriate records custodian and fulfilled in a timely manner.

B. Requests for inspection only cannot be required to be made in writing. The PRRC should request a mailing or email address from the requestor for providing any written communication required under the TPRA.

C. Requests for inspection may be made orally or in writing using the Public Records Request Form, attached as Attachment 1, at the Tennessee Tower, 312 Rosa L. Parks Ave., Nashville, TN 37243, by phone at (615) 741-9065 or by email to Alicia.Widrig@tn.gov.

D. Requests for copies, or requests for inspection and copies, may be made in writing using Attachment 1 at 312 Rosa L. Parks Ave., Nashville, TN 37243, by phone at (615) 741-9065 or by email to Alicia.Widrig@tn.gov.

E. Proof of Tennessee citizenship by presentation of a valid Tennessee driver's license, form of Tennessee State issued identification or employment badge for in-state employer that contains photo identification is required as a condition to inspect or receive copies of public records.

III. Responding to Public Records Requests

A. Public Record Request Coordinator

1. The PRRC shall review public record requests and make an initial determination of the following:

- a. If the requestor provided evidence of Tennessee citizenship;
- b. If the records requested are described with sufficient specificity to identify them; and
- c. If the Governmental Entity is the custodian of the records.

2. The PRRC shall acknowledge receipt of the request and take any of the following appropriate action(s):

a. Advise the requestor of this Policy and the elections made regarding:

- i. Proof of Tennessee citizenship;
- ii. Form(s) required for copies;
- iii. Fees (and labor threshold and waivers, if applicable); and
- iv. Aggregation of multiple or frequent requests.

b. If appropriate, deny the request in writing, providing the appropriate ground such as one of the following:

- i. The requestor is not, or has not presented evidence of being, a Tennessee citizen.
- ii. The request lacks specificity. In this case, an offer to assist in clarification will be extended.

- iii. An exemption makes the record not subject to disclosure under the TPRA; for which a written denial will be provided.
 - iv. The Governmental Entity is not the custodian of the requested records.
 - v. The records do not exist.
- c. If appropriate, contact the requestor to see if the request can be narrowed.
 - d. Forward the records request to the appropriate records custodian in [Name of Government Entity].
 - e. If requested records are in the custody of a different governmental entity, and the PRRC knows the correct governmental entity, advise the requestor of the correct governmental entity and PRRC for that entity if known.
3. The designated PRRC(s) is:
- a. Name or title: Alicia C. B. Widrig, TDTD General Counsel
 - b. Contact information: 312 Rosa L. Park Ave., 13th Floor, Nashville, TN 37243; e-mail: Alicia.Widrig@tn.gov; Office line: (615) 741-9065
4. The PRRC(s) shall report to the governing authority on an annual basis about the Governmental Entity's compliance with the TPRA pursuant to this Policy and shall make recommendations, if any, for improvement or changes to this Policy.

B. Records Custodian

1. Upon receiving a public records request, a records custodian shall promptly make requested public records available in accordance with Tenn. Code Ann. § 10-7-503. If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form which is attached as Attachment 2, based on the form developed by the OORC. However, public records requests will also be accepted through a handwritten request submitted in-person or by mail to the records custodian or through an email request to the records custodian.
3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Public Records Request Response Form.
4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form to notify the requestor that production of the records will be in segments and that

a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.

5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC or with the Office of Attorney General and Reporter.

2. Whenever a redacted record is provided, a records custodian should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.

IV. Inspection of Records

A. There shall be no charge for inspection of open public records.

B. The location for inspection of records within the offices of TDTD should be determined by either the PRRC or the records custodian.

C. Under reasonable circumstances, the PRRC or a records custodian may require an appointment for inspection or may require inspection of records at an alternate location. An appointment may be necessary if the Requestor is seeking records maintained within a Tennessee Welcome Center which cannot be readily, securely transferred to the central office located in Nashville.

V. Copies of Records

A. A records custodian shall promptly respond to a public record request for copies in the most economic and efficient manner practicable.

B. Copies will be available for pickup at a location specified by the records custodian.

C. Upon payment for postage, copies will be delivered to the requestor's home address by the United States Postal Service.

D. A requestor will not be allowed to make copies of records with personal equipment.

VI. Fees and Charges and Procedures for Billing and Payment

A. Fees and charges for copies of public records should not be used to hinder access to public records. No charges will be assessed for copies and duplicates unless the cost of labor exceeds one (1) hour and/or the costs of copies and duplicates exceed \$50.00.

B. Records custodians shall provide requestors with an itemized estimate of the charges using Attachment 3 prior to producing copies of records and may require pre-payment of such charges before producing requested records.

C. When fees for copies and labor do not exceed \$50.00, the fees may be waived.

D. Fees and charges for copies are as follows (if higher than the amounts authorized by the OORC Schedule of Reasonable Charges, documentation should be attached):

1. \$0.15 per page for letter- and legal-size black and white copies.

2. \$0.50 per page for letter- and legal-size color copies.

3. Other: _____.

4. Labor when time exceeds one (1) hour.

5. If an outside vendor is used, the actual costs assessed by the vendor.

E. No duplication costs will be charged for requests for less than one (1) hour of labor and/or the costs of copies and duplicates exceed \$50.00.

F. Payment is to be made by personal check payable to the Tennessee Department of Tourist Development presented to the records custodian or public records request coordinator.

G. Payment in advance will be required when costs are estimated to exceed \$75.00.

H. Aggregation of Frequent and Multiple Requests. The Tennessee Department of Tourist Development will not aggregate record requests in accordance with the Frequent and Multiple Request Policy promulgated by the OORC when more than (4) requests are received within a calendar month (either from a single individual or a group of individuals deemed working in concert).

PUBLIC RECORDS REQUEST FORM

The Tennessee Public Records Act (TPRA) grants Tennessee citizens the right to access open public records that exist at the time of the request. The TPRA does not require records custodians to compile information or create or recreate records that do not exist.
